

BLACKWELL HISTORY OF EUROPE

# FRACTURED EUROPE 1600 - 1721

DAVID J. STURDY

# *Blackwell History of Europe*

General Editor: John Stevenson

The series provides a new interpretative history of Europe from the Roman empire to the end of the twentieth century. Written by acknowledged experts in their fields, and reflecting the range of recent scholarship, the books combine insights from social and cultural history with coverage of political, diplomatic and economic developments. Eastern Europe assumes its rightful place in the history of the continent, and the boundary of Europe is considered flexibly, including the Islamic, Slav and Orthodox perspectives wherever appropriate. Together, the volumes offer a lively and authoritative history of Europe for a new generation of teachers, students and general readers.
